2018 Psychedelic Illustration

2020 Poster for Awareness

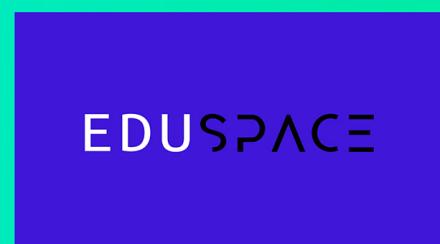

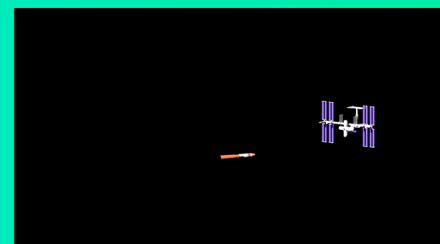

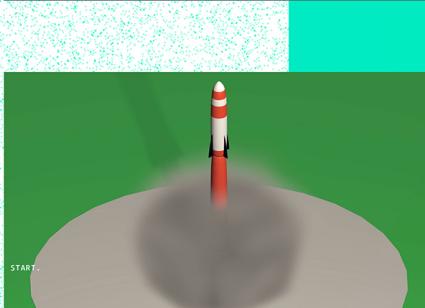

I got invited to nominate
this art work for the 2020
A'Design Award & Competition.

2019 Kaposvár University Diploma Work EDUSPACE trailer

For my diploma work I made
a trailer for a fictional, low poly
and isometric style sci-fi
educational game,
called "EDUSPACE".

I would like to improve
this trailer and the game
itself in the near future.

2021 Self-portrait

This is me.

I made a glitch styled self-portrait
three years ago, and I wanted to
create a new, exciting self-portrait.
